Elegant fabric folders and pads are compact, lightweight and ideal for travel.
Folders & Pads is the ideal line for the traveling salesperson looking to hold the maximum amount of jewelry in the minimum amount of space.

Our folders can be made in any of our leather, suede or ballistic materials. Pads can be made in leather or suede materials to provide the perfect backdrop for your jewelry.

Up to 10 pads with jewelry can be placed in a deep folder. 4 pads with jewelry can fit inside a regular height folder. The folder feature provides an easy way to travel with your jewelry while keeping it safer and more secure.

All features of the Folders & Pads line are removable upon request—making any combination of mechanisms an option.
Pads are designed to fit with ease inside the folders, saving space and effort.
