

CarefreeTM by Ovadia corp.

Clean & practical presentation, ideal for travel.
Durable, lightweight & stackable.

Carefree is a strong practical display line for travel and understock. Carefree Displays are stackable and feature our interchangeable Orolite Pad system in a variety of sizes to accommodate all kinds and sizes of jewelry.

Stackable & Color Options

U.S. Patents:
#5,511,653;
#5,649,625

Carefree Displays come in a wide variety of colors and finishes.

The open bottom of the tray allows higher jewelry to easily stack, while reducing weight. Patented Oro-Lite™ Pads make stacking trays easy & convenient.

Interchangeable Pads

Our patented Oro-Lite pad system gives you the flexibility to create a virtually limitless number of arrangements to showcase your jewelry.
